Ranked No.1 in Maharashtra – A milestone of pride, a journey of excellence!

We are delighted to share the wonderful news that SGIS Pune has been ranked No. 1 in Maharashtra in the Residential School category. This prestigious recognition stands as a testament to our unwavering commitment to excellence in academics, holistic development, and nurturing a vibrant school community.

Adding to this remarkable milestone, SGIS Pune has also been honored with the Parents’ Choice Award. This award is especially meaningful as it reflects the trust, confidence, and love that parents have in our school. It highlights the strong partnership between the school and families, working together to shape bright futures for our learners.

These accolades inspire us to continue striving for even greater heights, while staying true to our mission of empowering young minds and hearts. Congratulations to the entire SGIS family—students, parents, teachers, and staff—whose dedication and spirit have made this achievement possible!

Two Days That Lit Up Young Minds and Hearts!

Our primary students set off on a two-day educational and recreational trip filled with excitement, exploration, and learning. The journey gave them a chance to step outside the classroom and experience lessons in a fun and interactive way.

From visiting places of cultural and educational value to enjoying recreational activities with friends, the trip was a perfect blend of knowledge and joy. Students not only learned new things but also developed teamwork, independence, and confidence.

The laughter, curiosity, and happy memories made during these two days will remain etched in their hearts for a long time to come!

Day 1: Monday, 8th September 2025 – Visit to Hadshi

Hadshi is around 16 km from school and the journey takes approximately 40–45 minutes. This hidden gem is a perfect lakeside picnic spot, featuring a stunning temple, a picturesque dam, and an abundance of natural beauty.

On the way, we stopped at the **Chinmaya Mission**, founded by Swami Chinmayanandji in 1953. Over the years, the organization has grown manifold with over 300 spiritual centers in India and abroad, engaged in various spiritual, educational, cultural and social activities. Students got the opportunity to visit the temples and the **Swanubhooti Vatika** before proceeding to Hadshi. We planned a picnic for the students with food, juices, and refreshments arranged by the school.

Day 2: Tuesday, 9th September 2025 – Visit to Amazeum
On this day, students visited the **Amazeum Children’s Museum**, located on the 2nd floor of The Pavilion Mall, SB Road, Pune. The museum is designed for children aged 6 months to 15 years and features engaging hands-on exhibits in science, art, and physical play. It encourages exploration through interactive exhibits, offers STEM-focused activities that make learning fun, and provides customizable experiences—guided tours, workshops, and self-exploration—ensuring students gain both knowledge and enjoyment in a safe environment.
